

internal::precision
_checker::operator()

```
graph LR; A["internal::precision_checker::operator()"] --> B["internal::is_negative"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'internal::precision_checker::operator()'. The right box is white with a black border and contains the text 'internal::is_negative'. A dark blue arrow points from the right side of the left box to the left side of the right box.

internal::is_negative
