

WireCell::Gen::Drifter  
::flush

```
graph LR; A["WireCell::Gen::Drifter  
::flush"] --> B["by_time"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'WireCell::Gen::Drifter' on the top line and '::flush' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'by\_time'.

by\_time
