

internal::fp::fp

```
graph LR; A[internal::fp::fp] --> B[internal::bit_cast]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'internal::fp::fp'. The right box is white and contains the text 'internal::bit_cast'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

internal::bit_cast
