

spdlog::details::registry
::default_logger

```
graph LR; A[spdlog::default_logger] --> B[spdlog::details::registry::default_logger];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'spdlog::details::registry' on the top line and '::default_logger' on the bottom line. The box on the right is white with a black border and contains the text 'spdlog::default_logger'. A dark blue arrow points from the right side of the white box to the left side of the gray box.
