

WireCell::SigProc::
OmniChannelNoiseDB::noise

```
graph LR; A["WireCell::SigProc::  
OmniChannelNoiseDB::noise"] --> B["dummy"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains two lines of text: 'WireCell::SigProc::' and 'OmniChannelNoiseDB::noise'. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the word 'dummy'.
