

spdlog::details::registry
::set_tp

```
graph LR; A[spdlog::init_thread_pool] --> B[spdlog::details::registry::set_tp]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'spdlog::details::registry' on the top line and '::set_tp' on the bottom line. The box on the right is white with a black border and contains the text 'spdlog::init_thread_pool'. A dark blue arrow points from the right side of the white box to the left side of the gray box.
