

```
output_range< std::  
back_insert_iterator  
< Container > >
```

A diagram showing two boxes. The bottom box is shaded gray and contains the text 'back_insert_range< Container >'. A blue arrow points upwards from the bottom box to the top box. The top box is white and contains the text 'output_range< std::back_insert_iterator< Container > >'.

```
back_insert_range<  
Container >
```
