

spdlog::details::flag
_formatter

```
graph BT; A["spdlog::details::v_formatter"] --> B["spdlog::details::flag_formatter"]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'spdlog::details::flag_formatter'. The bottom box is light gray with a black border and contains the text 'spdlog::details::v_formatter'. A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating an inheritance or specialization relationship.
