

spdlog::details::scoped
_pad::~~scoped_pad

```
graph LR; A["spdlog::details::scoped_pad::~~scoped_pad"] --> B["spdlog::details::fmt_helper::append_string_view"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'spdlog::details::scoped_pad::~~scoped_pad'. The right box has a white background and a black border, containing the text 'spdlog::details::fmt_helper::append_string_view'. A dark blue arrow points from the right side of the left box to the left side of the right box.
