

internal::basic\_buffer  
::push\_back

```
graph LR; A[internal::formatbuf::overflow] --> B[internal::basic_buffer::push_back];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'internal::basic\_buffer' on the top line and '::push\_back' on the bottom line. The box on the right is white and contains the text 'internal::formatbuf' on the top line and '::overflow' on the bottom line. A dark blue arrow points from the right side of the white box to the left side of the gray box.
