

spdlog::details::flag
_formatter

```
graph BT; A["spdlog::details::source_lineum_formatter"] --> B["spdlog::details::flag_formatter"]
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray box labeled 'spdlog::details::source_lineum_formatter'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'spdlog::details::flag_formatter'. Both boxes have black borders and contain text split across two lines.
