

spdlog::details::registry
::set_error_handler

```
graph LR; A[spdlog::set_error_handler] --> B[spdlog::details::registry::set_error_handler]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'spdlog::details::registry' on the top line and '::set_error_handler' on the bottom line. The box on the right is white with a black border and contains the text 'spdlog::set_error_handler'. A dark blue arrow points from the right side of the white box to the left side of the gray box.
