

internal::decimal_formatter
_null::on

```
graph LR; A["internal::decimal_formatter  
_null::on"] --> B["internal::count_digits"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'internal::decimal_formatter' on the top line and '_null::on' on the bottom line. The right box is white with a black border and contains the text 'internal::count_digits'. A dark blue arrow points from the right side of the left box to the left side of the right box.
