

internal::function
< int >

```
graph BT; A[internal::printf_precision_handler] --> B[internal::function< int >];
```

A diagram illustrating a function object. At the bottom is a gray rectangular box containing the text 'internal::printf_precision_handler'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'internal::function' followed by '< int >' on the next line.

internal::printf_precision
_handler
